Graceland Ambassadors Named

Ten students have been chosen to be "Graceland Ambassadors" to the public for the 1978-1979 school year. These students will represent Graceland to prospective students and other Graceland guests.

Although the ambassadors will be knowledgeable in several areas of the college, the main areas they will focus on will be Admissions Counseling, Development, and the President. Sessions have been held for the ambassadors by various college personnel to give them the necessary information so that the ambassadors can present a clear picture of Graceland.

Students chosen as ambassadors include: Pam Brunner, Dave Hokanson, Rose Mary Hope, Sandy Hughes, Paul Jackson, Debra Krutsinger, Donna Muir, David Nyanjom, Scott Ourth, and Angel Robertson.

Solah + Aaron's song for service of Celebration!

CHORUS
As brothers and sisters in Christ
We will sing a song of love
We pray to God our Father
That our hearts will be as one
With Jesus as our guide
We will never be let down
Just hold him close beside you
He's the greatest friend around.

1 With all our smiling faces
All the fellowship we share
Our lives take on new meaning
The joy cannot compare.

2 Each day we may find hardships
All fall along the way
But keep on looking forward
For tomorrow's a brighter day.

3 Just take a look around you
God's miracles you see
Live each day to its fullest
Be the best that you can be!

Homecoming '79.

What a friend we have in Aaron
All the good times that we share.
What a priviledge for Solah.
Boy, we really make a pair!

Oh, what studying we forfeit.
Oh, what lack of sleep we get!
All because we love you Aaron
Just you wait we'll get you yet!

We've had trials and temptations.
There is trouble everywhere.
Aaron never get discouraged
Solah women will be there!

Can we find a house so faithful?
Who will all our good times share?
Aaron, Solah is forever!
Graceland College, just beware!

To the Ladies of Solah...

Each one of you has shared your life
in such a different way;
The right words for this christmas time
seem very hard to say.
But as you wake each morning,
and think of what you'll do,
remember what the savior
has come to mean to you.
Remember that his gift of love,
was eternal sacrifice;
And the only way we see him now
is in other people's lifes.
So each day, say, not me,
but us.
And have a joyous Christmas.

Dear Women of Solah

Greetings from the foreign country of Canada. Ha!

Well how was Christmas! Did Santa treat you all well? He was sure good to me!

MAN DOES NOT LIVE ON BREAD ALONE

Hi! All you wonderful Solah Women! So... how is Winter term so far? Cold? Is Lauri being good to you? (I'm sure she is!)

Seattle weather is pretty nice. We had about 2 in. snow - but it's all gone! I run around outside without a jacket on all the time.

I'm working as a nurses aide again - at a Nursing Home. It's not always fun - but it's very rewarding - to make these old people happy!

Mary Ann - guess who is wearing socks on her hands to bed at night? Me! My hands get so chapped working in all that H_2O and soap!

Joyce - I got my raquet! So, we can play as soon as I get back - OK? (And be sure you don't mistreat your kids - the ones that you have hidden in your closet!)

Linda - Stay out of trouble! Hopefully no one will catch your "Barry" in the closet too many times!

Scotty - does Mrs. Gould have you dragging bottom yet? Be sure to get all your work done on time - So you don't have to stay up all night on the last night of winter term!

Spring Sing Song:

'Twas 84 years ago that the college on the hill did grow.
Though the years have passed us by, our spirits will never die.
So may I introduce to you the greatest house through-out these years:
S-O-L-A-H.

We're super Solah makin' good vibrations
We'd like for you to join our show.
So sit back and relax and enjoy yourselves.
Come on and let the good times roll.
Feel those good vibfations, feel those good vibrations,
Feel those good vibrations, Go for it!

'Twas here on the hill at the first of the year that the freshmen
felt lost in the crowd.
But we got along as our friendships grew strong and the hilltop
became our new home.

Those good vibrations keep movin' us on
Oh, and together we'll sing a new song.
Yeah, those vibrations keep comin' on strong.

The sophomores did slump but, came back with a bump
And the Juniors had stars in their eyes
It soon will be May and we're happy to say that the Seniors are
well on their way.

Those good vibrations keep movin' us on.
Oh, and together we'll sing a new song.
Yeah those vibrations keep comin' on strong.

Do you feel those good vibrations? Send them to someone you love.
Can you feel those good vibrations? Then you need sombody to love.

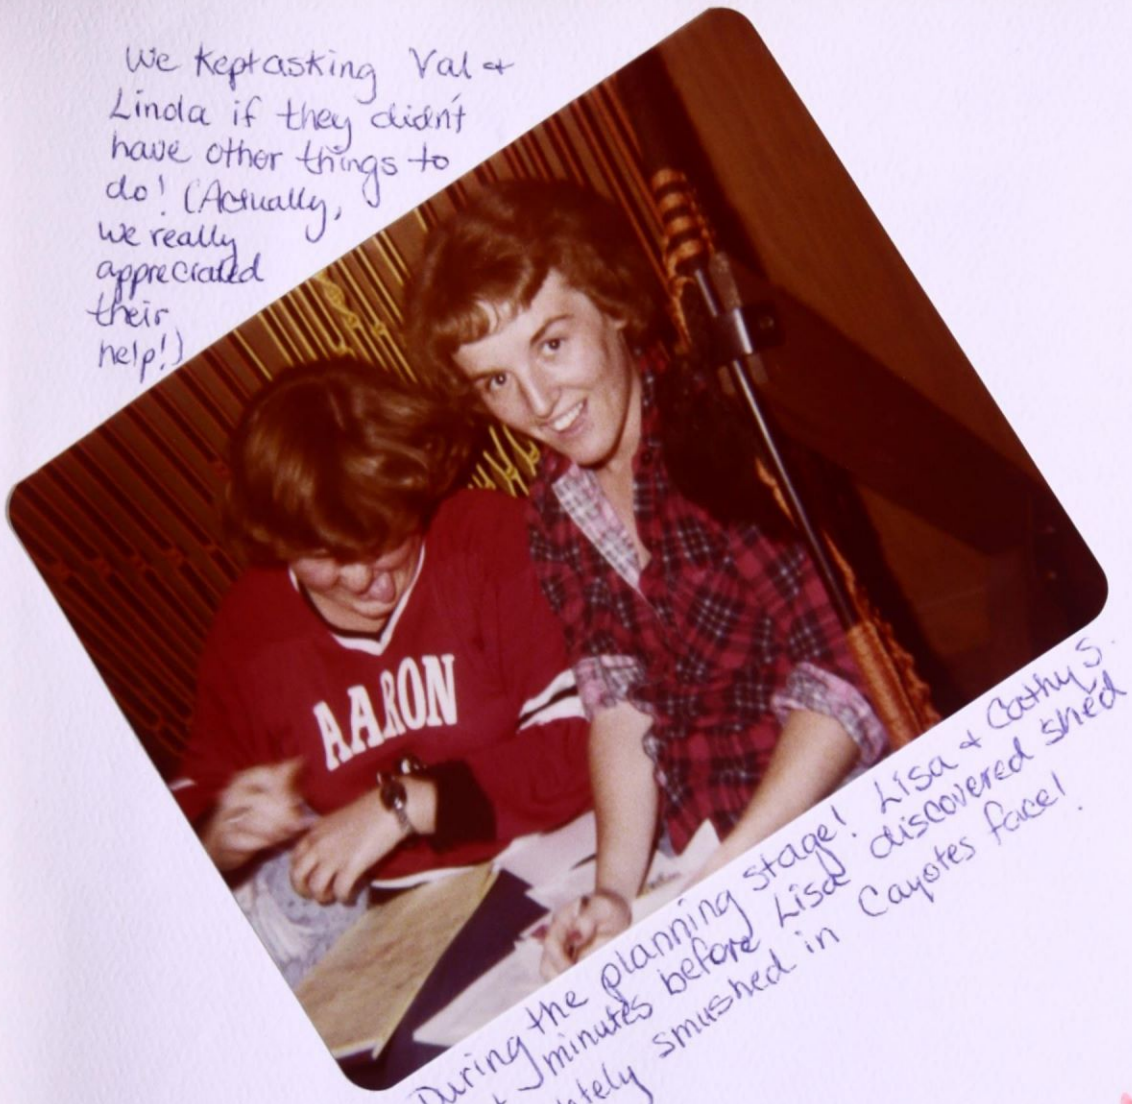
Graceland keeps growing and changing each year, but we're coping
with all of the pain.
The memories of laughter and love still remain, and the spirit
will go on unchanged.

Those good vibrations keep movin' us on.
Oh, and together we'll sing a new song.
Yeah, those vibrations keep comin on strong.

Do you feel those good vibrations? Send them to someone you love.
Can you feel those good vibrations? Then you need sombody to love.

Those good vibrations keep movin' us on.
Oh and together we'll sing a new song.
Yeah those vibrations keep pushing us, pulling us, movin' us on!!!!!!!

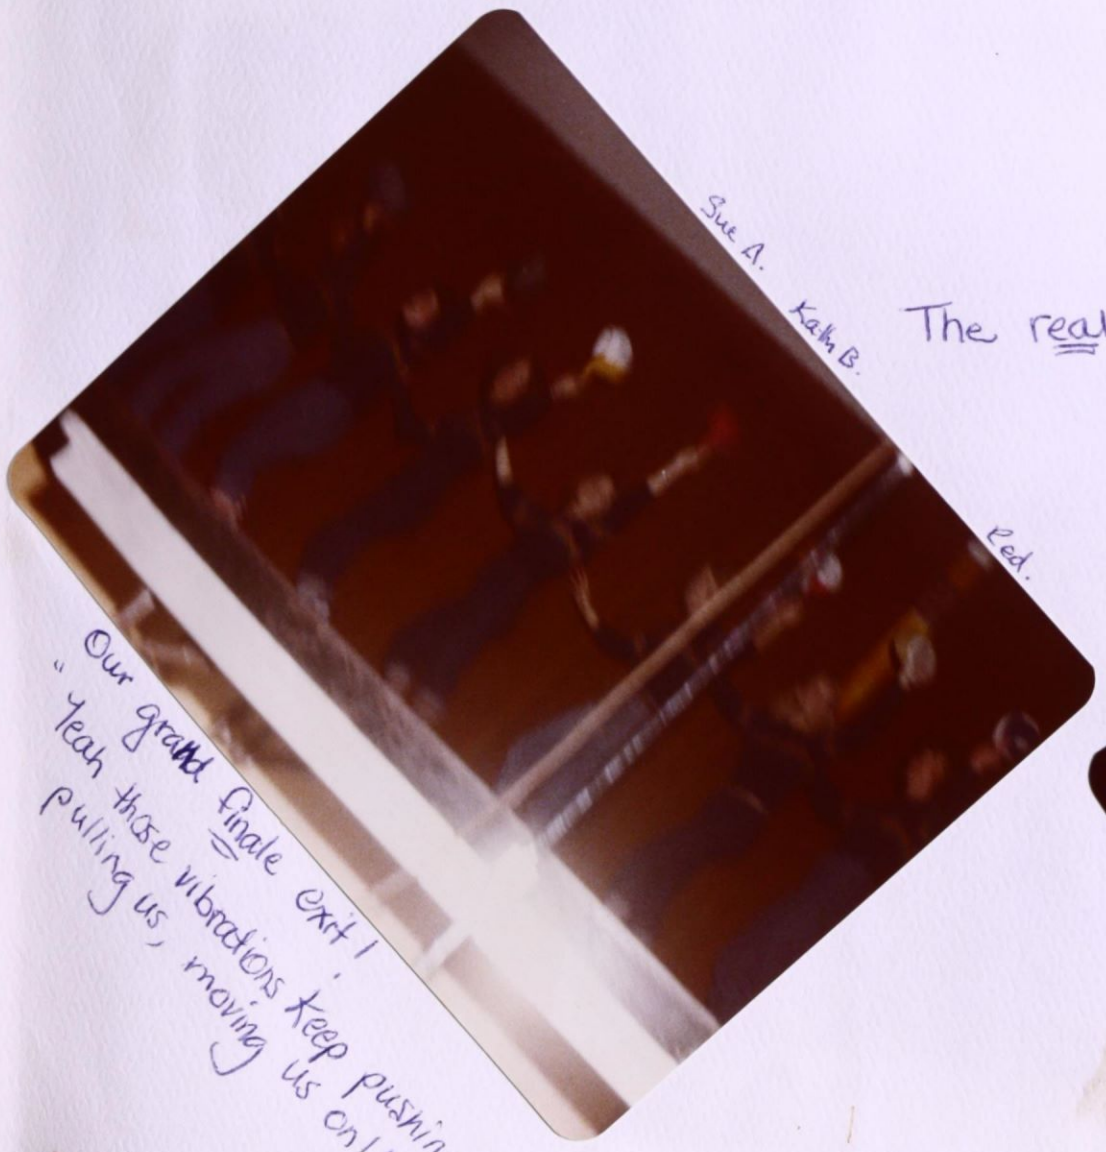
We kept asking Val + Linda if they didn't have other things to do! (Actually, we really appreciated their help!)



During the planning stage! Lisa + Cathy S. just 3 minutes before Lisa discovered shed completely smushed in Cayotes face!

Debbie, Marva, Val, Red + Linda. Practicing on stage in the MSC.

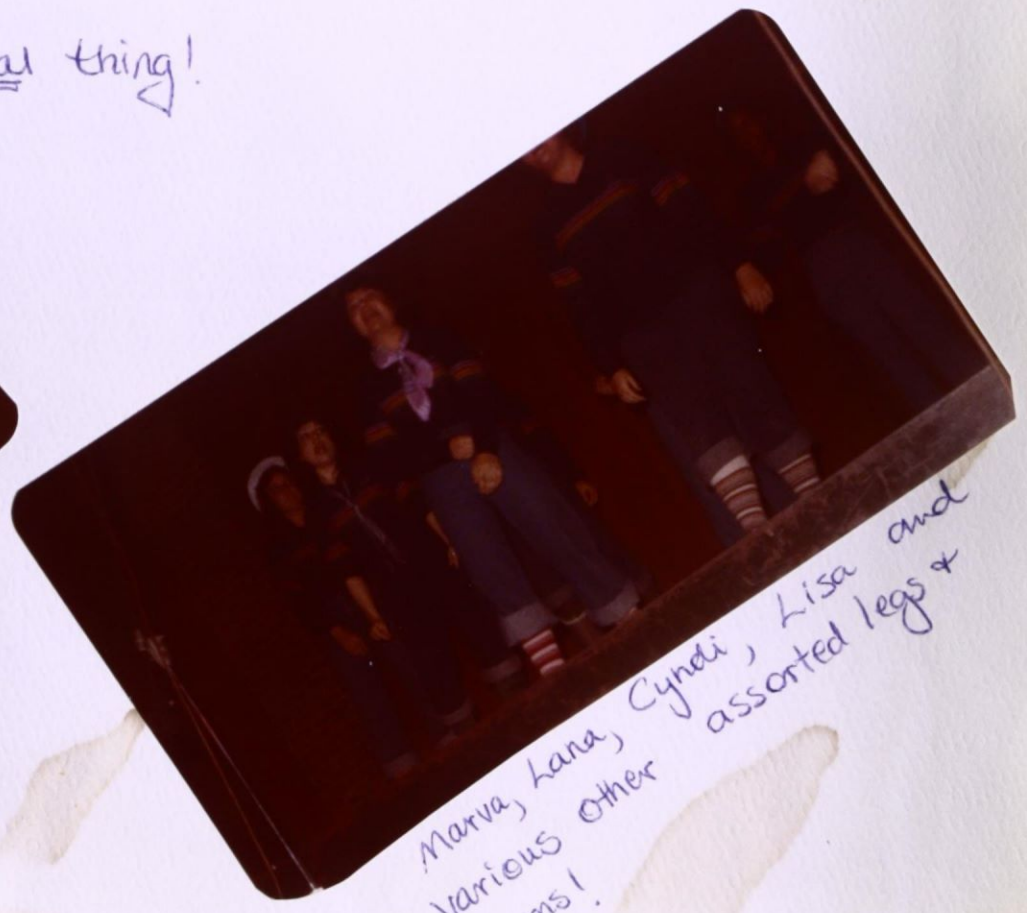
Spring sing!



Sue A. Kath B. Red.

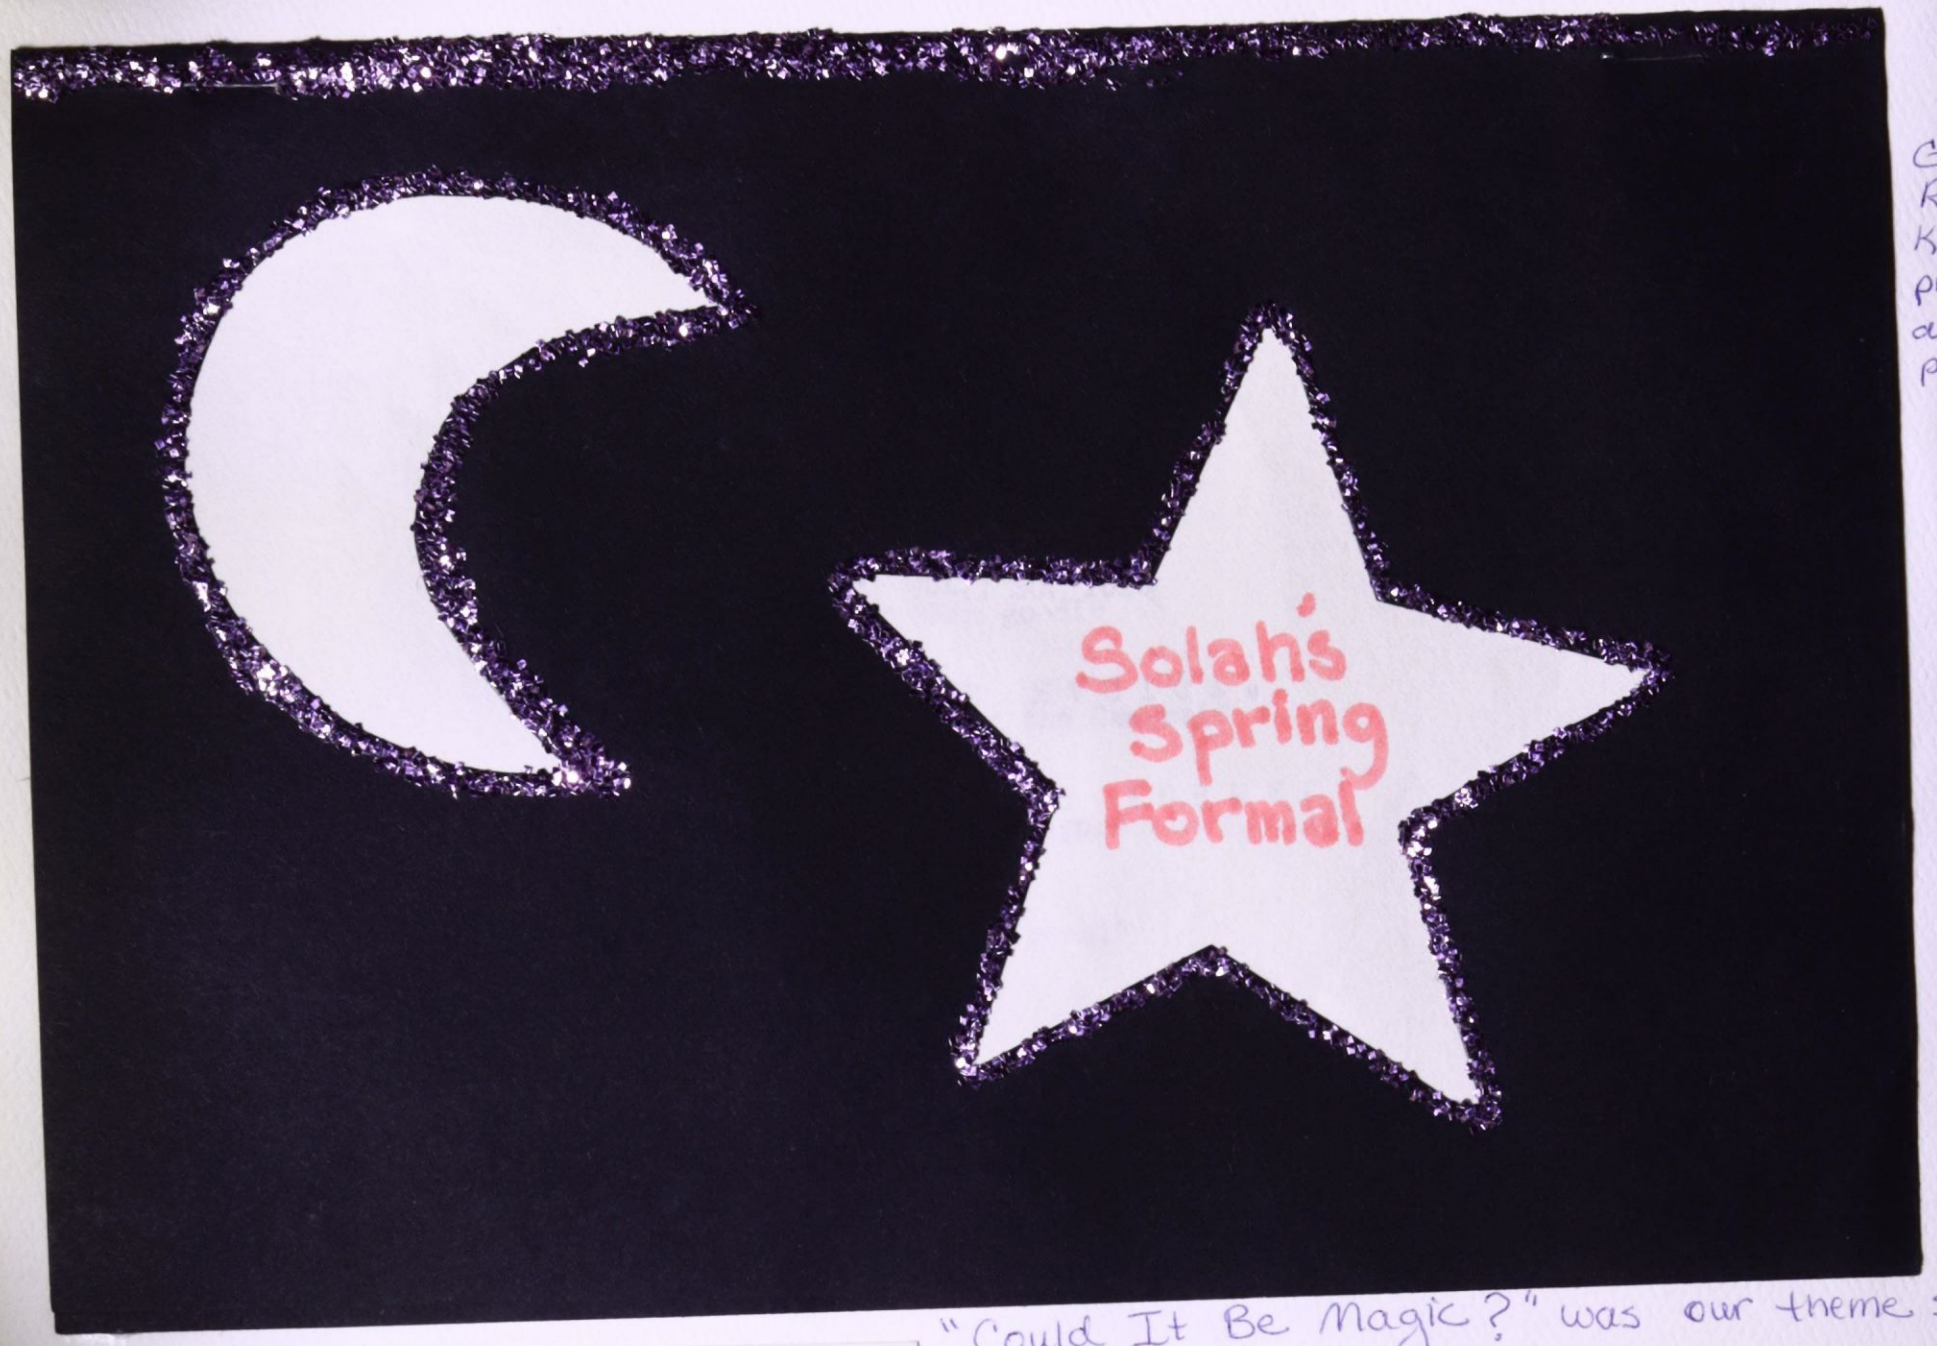
Our grand finale exit! "Yeah those vibrations keep pushing us, pulling us, moving us on!"

The real thing!



Marva, Lana, Cyndi, Lisa and various other assorted legs + arms!

We didn't win according to the judges .... but as a house we were a success! Because we all had so much fun doing it!



Gayle, Red & Kris prepared all the programs!

"Could It Be Magic?" was our theme song.

Janelle runs for speaker of the Senate and wins! Yeah!
Diane runs for COSA President and wins! Yahoo!
Way to go SOLAH!

Thank-you note from our special guests: Wayne + Mary Chandler.

A crowded race for GSG president is the highlight of this year's GSG elections. Scott Kornman, Ken Miner, Joe Ourth, and Jamie Jamie Varvaro are seeking the top spot in student government. With a large number of candidates, this race will probably have to be a run-off.

The President of Student Academic Council (SAC) race has only one entrant, Paul Shupe of Aaron. The contest for Speaker of the Senate is a showdown between two candidates: Vern Patterson and Janelle Jones.

The race for COSA president, historically the largest, has four entrants: Jeff Davidson, Diane Harrington, Bill Cline, and Greg Moore. this one is also likely to end in a run-off election.

ELECTION OUTCOME INDECISIVE

By Philip Rupprecht

Graceland Student Government Election, held Tuesday, produced a surprisingly large turnout and three close races. The races for GSG President, COSA President and Speaker of the Senate were all influenced by a very narrow margin of votes.

The races for GSG President and COSA President were run off yesterday and the results should be out today. Scott Kornman and Joe Ourth are vying for the top spot, while Diane Harrington and Bill Kline are competing for the head of campus entertainment.

With 703 people voting, Kornman took 344 votes, Ourth took 170 and Jamie Varvaro grabbed 164 with Ken Minor picking up the remainder. Since Kornman got only 48.93% of the vote and not the needed 50% minimum, the race had to be run off. Ourth had the extremely slim margin of 6 votes over Varvaro, so he was, by the GSG Constitution, the other candidate.

589 people voted in the COSA race with Harrington picking up 197 votes, Cline taking 164, Greg Moore got 140, and Jeff Davidson cornered the remainder. Harrington had 33.734% and Cline had 28.08% of the original tally.

The race for the Speaker of the Senate was the real squeaker. Janelle Jones, though, came out on top with 338 votes while Vern Patterson finished with 335 votes.

Paul Shupe was elected to head the Student Academic Council for next year. Also, the student referendum to effect changes in the housing code passed by 89% to 11%.

MEMO

TO: All House Presidents

DATE: April 4, 1979

FROM: Marian Killpack
Coordinator of Housing

The Council of House Presidents met last night and heard the report of houses' decision to either combine with another house or take their chance in a random draw. The council voted to allow houses willing to combine preference of house location over those women's houses not willing to combine.

The following houses are willing to combine and will have first choice in house locations.

Chemin - Mahana
Dimora - Kimball Manor
Ananta - Audentia.

One additional house will be selected at a random draw at 4:00 P.M. today in the Main Room of the MSC. The house drawn will automatically be paired with Ananta.

If your house is among the remaining 7 and you do not want to take your chances in the draw, you may submit a petition signed by a majority of the members of each of two houses before 4:00 P.M. today. In such a case you would be allowed to combine and you would have house location preference after the three houses and/or combination of houses listed above.

The mature manner in which your house has responded to this special need of the Graceland campus has been greatly appreciated.

Solah Captures Intramural Titles

Sola swept two first places in fall volleyball and soccer to lead the women's houses in Intramurals. Audentia captured second in both events with Anata taking third in soccer.

Anata, however, won the flag-football contest with Audentia finishing second and Paloma-Chemin third.

In individual events, Cindy Smith jogged 78 miles to win for Anata while Janet Jacobs of Kimball and Karen Hakes of Solah took second and third with 75.25 miles and 64 miles.

The swimming honors went to Kerri Methner of Belavera with 538 meters and Kathy Kelby and Gwen Wirth, both of Kimball with 396 and 277 meters respectively.

Women's Intramural chairperson, Debbie Chandler, reported that women's intramurals are "declining" this year, but also said that she was, "pleased with those who participated."

"A lot of girls have too much to do at this time of the year."

Chandler remarked that she would like to see less events sponsored in the future in order to attract attention to those that are offered.

Coed ping-pong and coed softball are in the plans for this spring along with women's ping-pong and softball.

The next intramural basketball games are on February 27 at 7 and 8 p.m. in the gym.

Dear Solah Women,

I am interested in running for the office of Senator for the 1979-80 school year. This past year I have been involved in the religious life of the house and would like to continue showing my concern by working as Senator. I believe I am a responsable person who would try hard to do a good job for the house and for the entire Campus.

Solah love,

Joyce.

Differences of opinions, interests, and values will always exist between people and therefore in the world as a whole. The answer is not simply to destroy these differences. We need to recognize these differences, positively tolerate them and perhaps learn by them. This requires patience, understanding, and the willingness to change -- but not war.

Our main concern should be with the well being of the human race as a whole, including future generations. War, especially with the nuclear weapons available to most countries, would quite possibly our society as it is today, and deprive future generations of that society. Every step possible must be taken to keep our emphasis on the well being of people and countries - not on their destruction.

Sue Simpson shares her views on peace.

HOUSES RANKED BY GPA

The houses were listed in the following order: Electa, Kimora, Belavera, Solah, McKevit, Atara, Paloma, Stewart Manor, Aaron, Agape, Tiona, Aponivi, Shalom, Cheville, Traver, Sariah, Closson, Faunce, and Edwards.

The Dean of Students has released the house gradepoint averages from the 1979 Fall semester. Electa tops the list with a 3.193 average followed by Kimora whose average is 3.016 and Belavera's 3.013 average.

In comparison with the 1979 Spring semester, Kimora remains the highest rated women's house while Stewart Manor, with a 2.860 average has replaced Tiona in the position of highest GPA in Gunsolley. On the whole, GPA's have dropped considerably--Spring '79 saw McKevit Manor with a 3.351 average, while in Fall '79 Electa's 3.193 average is highest.

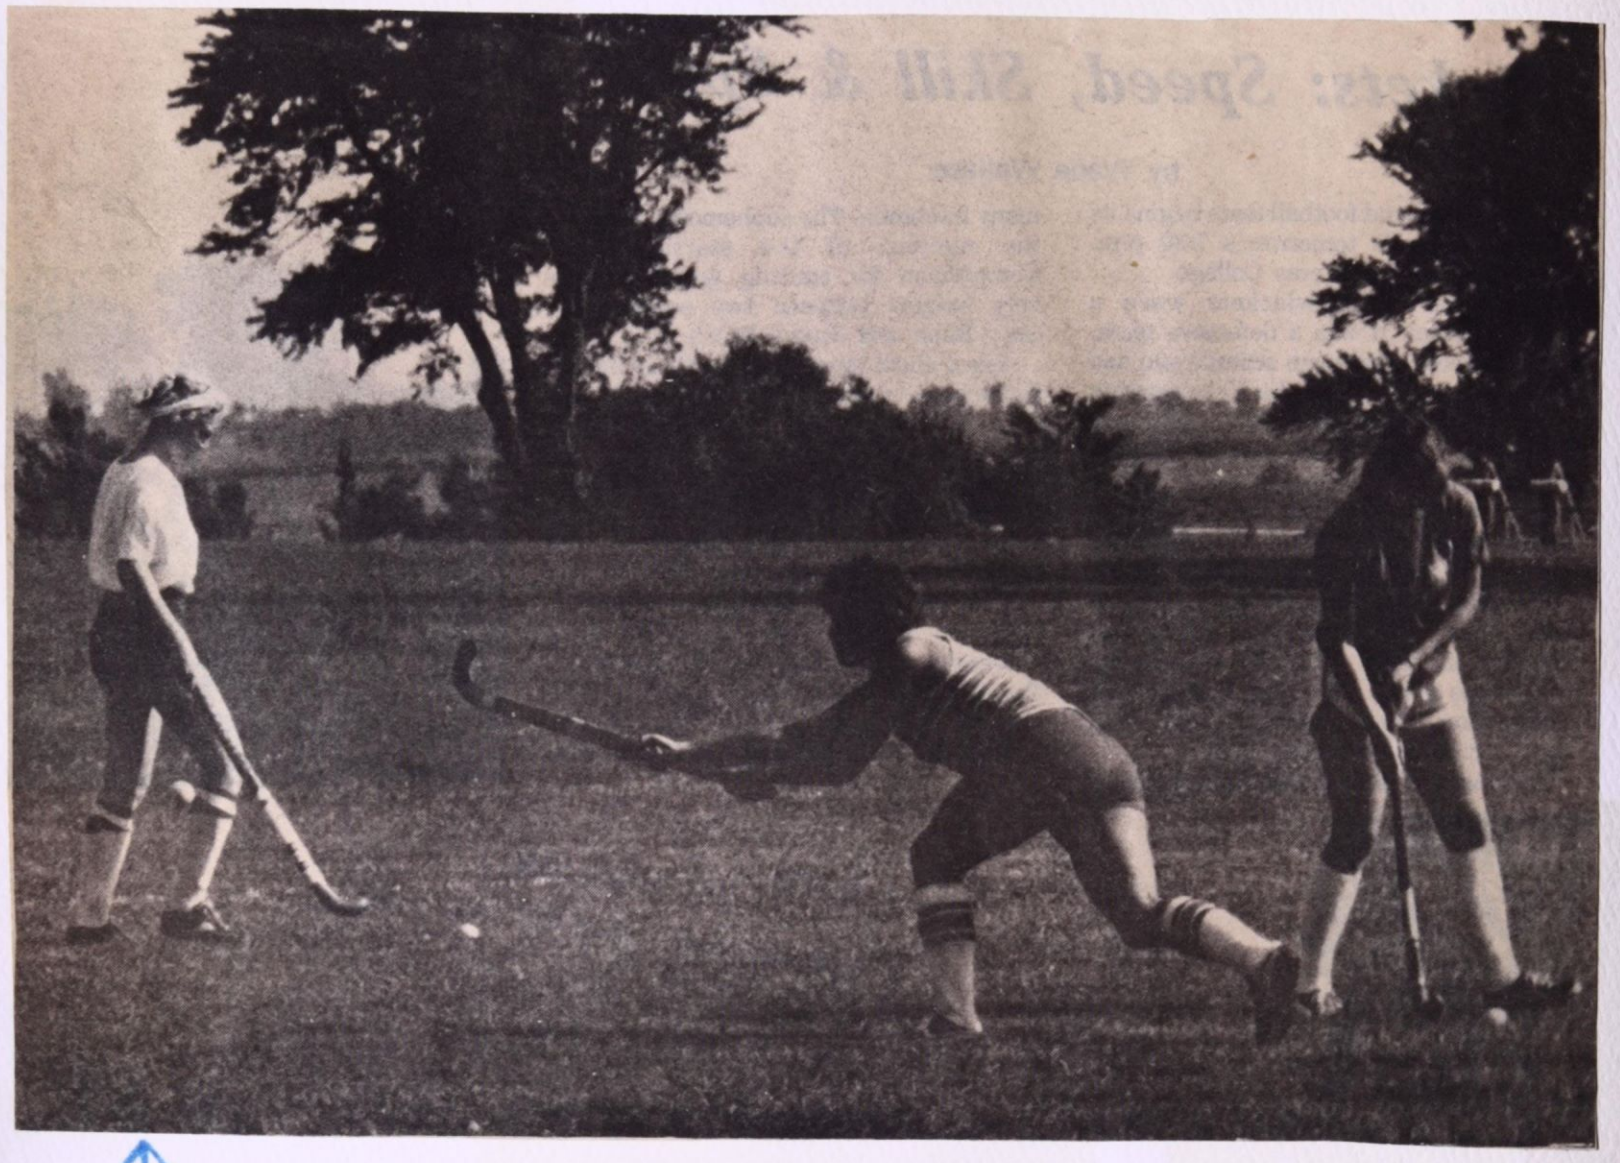
Super Sporty Solah Women!



Cami Anderson, a super athlete in field hockey and track (and, of course, Solah's intramuramurals.)

Anderson Smashes Mile & 2-Mile Marks

Women's Tracksters Out of the Blocks with Early Wins

By Wade Wallace

Last Saturday, the women's track team sent three women to the Grinnell Invitational. The women's team, which has been hurt by lack of runners, went into the meet with the goal of shooting for good times rather than team points. Consequently, Cami Anderson took fifth and broke Graceland's two mile record set by Mary Dixon in 1976. Anderson, who was closely followed by fellow runner Liz McDermid, ran the race in 13 minutes and 47 seconds, bettering the old mark by 39 seconds.

Although lacking strength in the field events, hurdles and sprints, the team has managed to win two meets and barely lose a third. On February 2, the team defeated Washburn 48 to 18. On February 23, Graceland won a triangular meet with 23 points, beating Central Missouri who had 21 points and Baker who had 14. In that meet Anderson broke the 1976 mile record set by Mary Decker of six minutes and 20 seconds. Anderson took first in the race with a time of six minutes and four seconds. The team's only loss came on February 29 against Simpson College. In it the Simpson team barely defeated Graceland, 41 to 38.

The team's strength centers around McDermid, Anderson and Linda Brandt. Other women who have participated include Lisa Walden, Trina Wilson, Lynette Shoemaker, Terry Bacon, Barb Baker, Nancy Crawford, Wendy Heckman, Laura Prall, and Moni Ritchey.

The team has been further hurt by the loss of women to injuries and softball. With two indoor meets left, the next on March 21, there is a need for runners and fan support. The team's outdoor season begins on April 19 against Central Missouri University. The team's goal is to break at least two more records for a total of four and to sweep the conference meet on May 2. Any women interested in running track should contact Coach Bob McDermid.

Women's Track

The women's track team did not run at the Mule Relays last Saturday. Sunday, however, brought triumph to the team of Coach Bob McDermid, Cami Amderson and Liz McDermid who participated in the Jaycee's Fun Run in Creston, Iowa. Anderson beat the entire field of men and women in the 2.2 mile race. Liz McDermid won the women's open ¼ marathon (6.5 miles) while Coach McDermid took second in the men's ½ marathon (13 miles). The team is scheduled to run against Central Methodist tomorrow.

Deb Lauer pushes on to finish the event.

Graceland All-Star Flag Football

Thursday, October 11, the Graceland men's All-Star flag football team plays against the Des Moines North Central team at 7:45 p.m. on the football field. Joe Madaffari is the team's quarterback. Rob Kaleikau and Dave Giacoma halfbacks, Kurt Hausheer, Tim Cole, Robbie Paulsen, and Landen Schooler of the offensive line, Rick Richards the tight end, Ron Launius the split end, and Steve Dimmitt the punter. On defense, Tim Sturgis, Ronnie Mickelson and Darrel Crawford are the defensive backs, Ed Kaleikau and Mike Wishy are the line backers, while Faren Persall, Scott Kornman and John Lysinger are the defensive line. Dobber Radloff and Chuck Logsdon are the team's coaches.

The women's All-Star game between the Gold and Blue divisions will begin at 6:30 prior to the men's game. Representing the Blue division for Atara are Dea Willard, Lynnette Shoemaker and Carol Bates; for Paloma, Lisa Zurcher, Dana Cochran and Tara Swail; for Aponivi, Caren Custead and Leticia Robertson; for Sariah, Lynn Hausheer and Becky Donman. Representing the Gold division for Shalom are Lee Le Anderson, Lisa Volk and Alice Burford; for Solah BVA, Janelle Jones, Rhonda Nobel and Becky Woods; for Kimora, Cathy Sims and Jeanne Smith; and for Traver, Julie Shaw and Janice Tiffany. Refreshments will be provided during the game by the Graceland Students Recreation Society.

Intramural Flag Football

Women's flag football finals were played Tuesday afternoon with Shalom taking first over Solah, and Atara taking third after Paloma forfeited. Shalom and Solah had quite a fight for the championship. Solah scored first with 3 minutes left in the first half on a right sweep by quarterback Janelle Jones for 50 yards and the score. The extra point failed. Then a minute later Shalom's quarterback, Michelle Hampton, threw a 15 yard pass to Lee Le Anderson to tie the game. When their extra point was no good the score was 6-6 at the half.

The second half had many turnovers with interceptions by Kathy Prager, Anderson and Susie Freeman, all of Shalom. Lisa Volk gained most of the yards of Shalom but did not score and when time ran out the score was 6-6. The deadlock was broken in the second period of overtime, when Hampton threw a 10 yard pass to Prager to win the game for Shalom 12-6. Cliff Meyer and Mark Bennett refereed the game and kept the statistics.

The men's championship flag football finals will be held this coming Monday.

Swim Club Meet Tomorrow

The Graceland College Swim Club has a split meet tomorrow with the men swimming against Coe College at 1:00 p.m. in the last home meet of the season, while the women travel to Emporia, Kansas, for a 10:30 a.m. meet against Emporia State. The women will try to avenge a 58 - 77 loss they had early in December against Emporia. The women, who have had one win and two losses during winter term, have qualified two swimmers, Carol Rossman and Angie Graffeo for Regionals in South Dakota. Caoch Everett Graffeo is hoping that several other swimmers will qualify.

Returning swimmers from winter term should increase the winning possibility of the men's team for the Iowa Small College Championships at Cornell on February 15 and 16. The men's team won three and lost two meets during winter term with Chris Stone putting in the best individual effort in the Grinell Relays on January 26. Out of a field of 22 he took first place in the 50 yard freestyle with a time of 23 seconds. The quartet of Stone, Steve Graffeo, Bill Fagg, and Kip Howard has the potential of making national cut-off times, Coach Graffeo says.

Graffeo expressed appreciation to the many students and faculty members who helped run the Club's home meets, and to the many students who timed, judged, and scored the swim meets, including those who missed their dinner meal. "Without that help," he said, "we could not hold home swim meets."

Swim Club

The women's swim team ended their season last weekend with a 43 - 86 loss in a dual meet against Grinnell. At last weekend's meet the Club qualified two relay teams in the 200 free relay and the 400 free relay for the regional meet to be held at the University of South Dakota at Vermillion, South Dakota. Carol Rossman, Angie Graffeo, Kim Reynolds, Patty Horn and Mary Preston are the relay qualifiers.

Rossman has also qualified for the 100 breast stroke, the 200 breast stroke, and the 400 IM races. Graffeo has qualified for the 500 free and the 200 free races.

Tomorrow the men will swim in the Iowa Small College Championship against seven other teams at Cornell in Mt. Vernon, Iowa, in which they will try to qualify swimmers for the Nationals. The Nationals will be held in White Water, Wisconsin, on March 6, 7, and 8.

Softball

By Dana Cochran

The 1980 women's softball team opens its season on March 28 at Baker University.

Five strong returning players include three All Conference players: shortstop Joyce Norris, first baseman Pam Parkhurst, and centerfielder Laura Prall. Pitcher Liz Kelso and cather Cindy Gray received conference honorable mention. The team will not only benefit from the women's defensive skills, but also from their offensive power. Last year Parkhurst's batting average was .426, Norris' was .391, Gray's was .308 and Prall's was .342 with 17 stolen bases.

Other team members are sophomore returnee Lisa Zurcher, junior Rhonda Noble, and freshmen Becky Woods, Kathe Prager, Moni Ritchey, Wendy Heckman, Lisa Volk, Barbara Koonce, and Terri Davidson.

Coach Judy Sancken says the team will be an outstanding defensive team and will be aggressive on the bases.

The following is the women's softball home schedule:

March 31 Missouri Valley College	3:00 p.m.
April 17 Iowa Wesleyan College	5:00 p.m.
April 20 Central Methodist	2:30 p.m.
April 29 Simpson College	4:00 p.m.
